

## LEARNING AGENDA INVENTORY

FEBURARY 2013

This matrix outlines planned evaluations supported by the U.S. Government that will help answer questions detailed in the [Feed the Future Learning Agenda](#). Evaluations are categorized according to the January 2011 [USAID Evaluation Policy](#). All evaluations are tentative and some in concept or design stages may not be implemented. This matrix will be updated periodically to reflect current planning, including a more comprehensive summary of planned USAID performance evaluations.
